"For the Beauty of the Earth" arr. J. Raney

"Father to Son" by Phil Collins

Somewhere down the road, you're gonna find a place
It seems so far, but it never is
You won't need to stay, but you might lose your strength
On the way

Sometimes you may feel you're the only one
'Cause all the things you thought were safe, now they're gone
But you won't be alone, I'll be here to carry you along
Watching you 'til all your work is done

And when you find your heart, you'd better run with it
'Cause when she comes along, she could be breaking it
No there's nothing wrong, you're learning to be strong
Don't look back

She may soon be gone, no don't look back
She's not the only one, remember that

If your heart is beating fast, then you know she's right
If you don't know what to say, well, that's all right
You don't know what to do?
Remember she is just as scared as you

Don't be shy, even when it hurts to say
Remember, you're gonna get hurt someday, anyway
Then you must lift your head, keep it there
Remember what I said
I'll always be with you don't forget
Just look over your shoulder I'll be there.

If you look behind you, I will be there.
If you look behind you, I will be there.
If you look behind you, I will by there.

Welcome and Announcements

Call To Worship

One: Come to God who gathers us in.

All: We come to God who nurtures us like a father.

One: Come to God whose arms are open and waiting.

All: We come to God who welcomes and forgives us.

One: Come to God who journeys with us.

All: We come to God who sees us as we really are and loves us anyway.

Come, let us worship and praise our loving nurturing God!

"Same Power"

by Jeremy Camp

I can see
Waters raging at my feet
I can feel
The breath of those surrounding me
I can hear
The sound of nations rising up

We will not be overtaken
We will not be overcome

I can walk
Down this dark and painful road
I can face
Every fear of the unknown
I can hear
All God's children singing out

We will not be overtaken
We will not be overcome

The same power that rose Jesus from the grave
The same power that commands the dead to wake
Lives in us, lives in us

The same power that moves mountains when He speaks
The same power that can calm a raging sea
Lives in us, lives in us
He lives in us, lives in us

We have hope
That His promises are true
In His strength
There is nothing we can't do
Yes, we know
There are greater things in store

We will not be overtaken
We will not be overcome

The same power that rose Jesus from the grave
The same power that commands the dead to wake
Lives in us, lives in us

The same power that moves mountains when He speaks
The same power that can calm a raging sea
Lives in us, lives in us
He lives in us, lives in us

Greater is He that is living in me
He's conquered our enemy

No power of darkness
No weapon prevails
We stand here in victory
Oh

Greater is He that is living in me
He's conquered our enemy
Oh

No power of darkness
No weapon prevails
We stand here in victory
Oh, in victory
Yeah

The same power that rose Jesus from the grave
The same power that commands the dead to wake
Lives in us, lives in us

The same power that moves mountains when He speaks
The same power that can calm a raging sea
Lives in us, lives in us
He lives in us, lives in us
He lives in us

"I've Got the Joy, Joy, Joy"

I've got the joy, joy, joy, joy
down in my heart,
down in my heart,
down in my heart,
I've got the joy, joy, joy, joy
down in my heart,
down in my heart to stay.
And I'm so happy,
So very happy;
I've got the love of Jesus in my heart.
And I'm so happy,
So very happy,
I've got the love of Jesus in my heart.

Children's Time

"Good, Good Father" by Chris Tomlin Father's Day Men's Chorus

Acts 9:1-19

Witnesses of The Resurrection: Saul to Paul

Prayer

Response:

"Lord in Your mercy,
we lift these prayers up to you"

The Lord's Prayer

Our Father,
who art in Heaven,
hallowed be Thy name.
Thy Kingdom come,
Thy will be done,
on Earth as it is in heaven.

Give us this day our daily bread,
and forgive us our trespasses,
As we forgive those
who trespass against us.
And lead us not into temptation
but deliver us from evil.
For Thine is the kingdom
and the power
and the glory forever.
Amen.

**"Here I Am, Lord"
(UMH 593)**

I, the Lord of sea and sky,
I have heard my people cry.
All who dwell in dark and sin
My hand will save.

I who made the stars of night,
I will make their darkness bright.
Who will bear my light to them?
Whom shall I send?

Here I am, Lord. Is it I, Lord?
I have heard you calling in the night.
I will go, Lord, if you lead me.
I will hold your people in my heart.

I, the Lord of snow and rain,
I have borne my people's pain.
I have wept for love of them.
They turn away.

I will break their hearts of stone,
Give them hearts for love alone.
I will speak my word to them.
Whom shall I send?

Here I am, Lord. Is it I, Lord?
I have heard you calling in the night.
I will go, Lord, if you lead me.
I will hold your people in my heart.

I, the Lord of wind and flame,
I will tend the poor and lame.
I will set a feast for them.
My hand will save.

Finest bread I will provide
Till their hearts be satisfied.
I will give my life to them.
Whom shall I send?

Here I am, Lord. Is it I, Lord?
I have heard you calling in the night.
I will go, Lord, if you lead me.
I will hold your people in my heart.

"All We Need"

by Charlie Hall

We have all we need in You
And all we need is You
All we need is You

We have all we need in You
And all we need is You
All we need is You

Rich or poor God I want You more
Than anything that glitters in this world
Be my all, all consuming fire

You can have all my hands can hold
My heart, mind, strength and soul
Be my all, all consuming fire
We have all we need in You
And all we need is You
All we need is You

We have all we need in You
And all we need is You
All we need is You

Rich or poor God I want You more
Than anything that glitters in this world
Be my all, all consuming fire

You can have all my hands can hold
My heart, mind, strength and soul
Be my all, all consuming fire

He's all we need, He's all we need
Cause You're all we need, All we need, All we need.

We have all we need in You
And all we need is You
All we need is You

We have all we need in You
And all we need is You
All we need is You

All we need, all we need, all we need is You

Closing Words

"Teach Your Children"

by Crosby, Stills and Nash

You, who are on the road
Must have a code you try to live by
And so become yourself
Because the past is just a goodbye

Teach your children well
Their father's hell did slowly go by
Feed them on your dreams
The one they pick's the one you'll know by

Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you

And you, of tender years
Can't know the fears your elders grew by
Help them with your youth
They seek the truth before they can die

Teach your parents well
Their children's hell will slowly go by
And feed them on your dreams
The one they pick's the one you'll know by

Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you

Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you
