Now until 10/15/22**

Dear Friends in Faith,

As the summer is closing down and the thought of kids going back to school, it is certainly troubling to many low-income parents. The thought of buying school clothes with little extra money to go around is stressful. The Calico Pantry and Cupboard through the Back To School Outreach has been helping the parents of school age children who come to us on a regular basis with a \$25 gift certificate. This helps the families to purchase school shoes and some articles of clothing.

The Community Outreach Group, with our interfaith congregations have faithfully helped us to make this happen through your financial support and so we hope we can count on you again. This is our 26th year of providing this much needed ministry to our low-income neighbors that come to our food pantry.

We are sustained to continue our work here on earth to serve all of the people who come to us in need. Your continued partnership with us is a blessing.

With grateful thanks,

Margaret Fitzpatrick
