"Faith of Our Fathers" arr. Keesecker

"There's a Wideness In God's Mercy" (UMH 121)

There's a wideness in God's mercy
like the wideness of the sea;
there's a kindness in God's justice,
which is more than liberty.

There is welcome for the sinner,
and more graces for the good!
There is mercy with the Savior,
there is healing in his blood.

For the love of God is broader
than the measure of our mind;
and the heart of the Eternal
is the most wonderfully kind.

If our love were but more simple,
we should rest upon God's word;
and our lives would be illumined
by the presence of our Lord.

"Famous One" by Chris Tomlin and Jesse Reeves

You are the Lord
The famous One, famous One
Great is Your Name in all the earth
The heavens declare You're glorious, glorious
Great is Your fame beyond the earth

And for all You've done and yet to do
With every breath I'm praising You
Desire of nations and every heart
You alone are God, You alone are God

You are the Lord
The famous One, famous One
Great is Your Name in all the earth
The heavens declare You're glorious, glorious
Great is Your fame beyond the earth

The morning star is shining through
And every eye is watching You
Revealed by nature and miracles
You are beautiful, You are beautiful

You are the Lord
The famous One, famous One
Great is Your Name in all the earth

The heavens declare You're glorious, glorious
Great is Your fame beyond the earth

"God With Us"

by J. Bryson/N. Cochran/B. Grail/B. Millard
M. Scheduler/R. Sheffer

Who are we
That You would be mindful of us
What do You see
That's worth looking our way

We are free
In ways that we never should be
Sweet release
From the grip of these chains

Like hinges straining from the weight
My heart no longer can keep from singing

All that is within me cries
For You alone be glorified
Emmanuel
God with us

Lord You know
Our hearts don't deserve Your glory
Still You show
A love we cannot afford

Like hinges straining from the weight
My heart no longer can keep from singing

All that is within me cries
For You alone be glorified
Emmanuel
God with us

My heart sings a brand new song
The debt is paid these chains are gone
Emmanuel
God with us

Such a tiny offering compared to Calvary

Nevertheless we lay it at Your feet
Such a tiny offering compared to Calvary
Nevertheless we lay it at Your feet

All that is within me cries
For You alone be glorified
Emmanuel
God with us

My heart sings a brand new song
The debt is paid these chains are gone
Emmanuel
God with us

"Jesus Loves Me"

Jesus loves me this I know for the Bible tells me so
Little ones to Him belong They are weak but He is strong
Yes, Jesus loves me
Yes, Jesus loves me
Yes, Jesus loves me
The Bible tells me so

Citizenship In Heaven: Christ's Ambassadors

Prayer

Response:

"Lord in Your mercy,
we lift these prayers up to you"

The Lord's Prayer

Our Father,
who art in Heaven,
hallowed be Thy name.
Thy Kingdom come,
Thy will be done,
on Earth as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses,
As we forgive those
who trespass against us.
And lead us not into temptation
but deliver us from evil.
For Thine is the kingdom
and the power
and the glory forever.
Amen.

**"Jesus Calls Us"
(UMH 398, vs, 1,2,&5)**

Jesus calls us o'er the tumult
of our life's wild, restless sea;
day by day his sweet voice soundeth,
saying, "Christian, follow me!"

As of old the apostles heard it
by the Galilean lake,
turned from home and toil and kindred,
leaving all for Jesus' sake.

Jesus calls us! By thy mercies,
Savior, may we hear thy call,
give our hearts to thine obedience,
serve and love thee best of all.

**"Open Up Our Eyes"
by Elevation Worship**

Greater is the one who's in us
Greater is the one who calls our name
He will never fail

Stronger is the one within us
Stronger is the one who fights for us
He will never fail
You will never fail

For Your love endures forever
Oh Your love endures forever
Open up our eyes, surround us with Your light
Your love endures forever

Mighty is the one who's for us
Mighty is the one who's strong to save
He will make a way
You will make a way

For Your love endures forever
Oh Your love endures forever
Open up our eyes, surround us with Your light
Your love endures forever

Our God is fighting for us always
Our God is fighting for us all
Our God is fighting for us always
We are not alone, we are not alone

Our God is fighting for us always
Our God is fighting for us all
Our God is fighting for us always
We are not alone, we are not alone
We are not alone, we are not alone

For Your love endures forever
Oh Your love endures forever

Open up our eyes, surround us with Your light
Your love endures forever

Our God is fighting for us always
Our God is fighting for us all
Our God is fighting for us always
We are not alone, we are not alone
We are not alone, we are not alone
We are not alone, we are not alone

Closing Words

"Light of the World"

by Alan Parsons

I am just a stranger in a promised land
I am only learning a game with rules I don't understand
Going round in circles, I've been round before
I am lost in so many ways
I can walk no more
I can walk no more

I am just a drifter, in an open sea
But no matter how much I try, the tide will not turn for me
Going round in circles, till I reach the shore
I am blown by so many winds
I can take no more
I can take no more

Light of the world, I stand alone
Cause I could not see the light of the world
Show me the fire, in a true believer's eye

I am just a dreamer, when I close my eyes
I can fly so close to the sun, that I can not see it rise
Going round in circles, in a silent sky
I am lost for so many words
I can not say why
I can not say why

Light of the world, I stand alone
Cause I could not see the light of the world
Show me the fire, in a true believer's eye

Just a traveller, on an endless flight
But no matter which way I turn, I journey into the night
Going round in circles, till the mountains fall
To believe in so many truths
It makes no sense at all
Makes no sense at all

Light of the world, I stand alone
Cause I could not see the light of the world

I was afraid, cause I could not see the light of the world
Show me the fire, in a true believer's eye
